

(Hallo) Spaceboy,  
You're sleepy now  
Your silhouette is so stationary  
You're released but your custody calls  
And I want to be free  
Don't you want to be free  
Do you like girls or boys  
It's confusing these days  
But Moondust will cover you  
Cover you

This chaos is killing me

So bye bye love  
Yeah bye bye love  
Bye bye love  
Yeah bye bye love  
This chaos is killing me
