

## Only Ashes Remain

Paganizer

Life is no more  
You will rot away  
Feed the funeral pyres  
It's your final stage  
No way of redemption  
There's no turning back  
Death has come at last  
Now you start to moulder

Only ashes  
Remain  
Only ashes remains of you

Destined to feed the worms  
Feel them as they squirm  
Destined to be rot  
Rot
