

Power In Your Hand

Paige

Led beyond the walls I know to poverty
Now I see You gave me what I really need
I never really knew what You were gonna do but I went away
I couldnt really see how it was gonna be but now Im swept away
and

Chorus

Through the eyes of a child
In this desolate land
Ive seen Your spirit run wild and Ive seen the
Healing in Your hand
There is power in Your hand
Howd You know that it was time to draw me close?
Now I see You gave me what I need the most
Ive always been the kind to try to bind You in a little box
Apparently You chose to step and break through the lines Ive dr

I know-You worked in me I know
My faithmy faith did surely grow
Why You why You had me go
I know see I was in need

I never really knew what You were gonna do but I went away
I couldnt really see how it was gonna be but now Im swept away
and
