Power In Your Hand

Led beyond the walls I know to poverty Now I see You gave me what I really need I never really knew what You were gonna do but I went away I couldnt really see how it was gonna be but now Im swept away and Chorus Through the eyes of a child In this desolate land Ive seen Your spirit run wild and Ive seen the Healing in Your hand There is power in Your hand Howd You know that it was time to draw me close? Now I see You gave me what I need the most Ive always been the kind to try to bind You in a little box Apparently You chose to step and break through the lines Ive dr awn and Chorus Bridge I know-You worked in me I know My faithmy faith did surely grow Why You why You had me go I know see I was in need I never really knew what You were gonna do but I went away I couldnt really see how it was gonna be but now Im swept away and
