

## Undertow T5

### Pain Of Salvation

Let me go  
Let me go  
Let me seek the answers that I need to know  
Let me find a way  
Let me walk away  
Through the Undertow  
Please let me go

Let me fly  
Let me fly  
Let me rise against that blood-red velvet sky  
Let me chase it all  
Break my wings and fall  
Probably survive  
So let me fly  
Let me fly...

Let me run  
Let me run  
Let me ride the crest of chance into the sun  
You were always there  
But you may lose me here  
Now love me if you dare  
And let me run

I'm alive and I am true to my heart now -  
I am I, but why must truth always make me die?

Let me break!  
Let me bleed!  
Let me tear myself apart I need to breathe!  
Let me lose my way!  
Let me walk astray!  
Maybe to proceed...  
Just let me bleed!

Let me drain!  
Let me die!  
Let me break the things I love I need to cry!  
Let me burn it all!  
Let me take my fall  
Through the cleansing fire!  
Now let me die!  
Let me die...

Let me out  
Let me fade into that pitch black velvet night
