

## Follow Me

Pain

Good luck has never been my friend  
I've always been the fool  
Please don't follow shadows of mine  
'cause the time is running out for me  
I walk in the path of a misfits blood  
No compass can stare my way  
No light at the end of the tunnel  
And time is running out for me  
No gold at the end of the rainbow  
No high hopes, dreams deceive  
Follow me  
The trouble seems to always wanna  
Follow me  
It has let me down so far so why don't you  
Follow me  
The trouble seems to always wanna  
Follow me  
It has let me down so far so why don't you  
Follow me  
I walk in the path of a misfits blood  
No compass can stare my way  
No light at the end of the tunnel  
And time is running out for me  
No gold at the end of the rainbow  
No high hopes, dreams deceive  
Follow me  
The trouble seems to always wanna  
Follow me  
It has let me down so far so why don't you  
Follow me  
The trouble seems to always wanna  
Follow me  
It has let me down so far so why don't you  
Follow me  
Follow me  
The trouble seems to always wanna  
Follow me  
It has let me down so far so why don't you  
Follow me  
The trouble seems to always wanna  
Follow me  
It has let me down so far so why don't you
