

# Drowned Out

Pale Divine

I am legion  
sacred whore.  
I'm the heathen angel you adore.

Feel the fire  
let it burn.  
Past the point of no return.

chorus:  
No release from this agony  
god above have you forsaken me.  
Drowning in my misery  
holy father won't you set me free.

set me free.

I'm the evil  
you despise.  
The demonic sorcerer of lies.

This inferno  
my domain  
the addiction driving you insane.

(repeat chorus)

bridge:  
set me free  
desperations final plea  
set me free  
as I am soon you shall be.
