

Come Over And Watch Netflix

Palisades

I woke up in the city
Where the streets have chains and the nights have fangs
They wanna keep you
Suck you into the dark
Leaving marks on your heart

Home
It's the only place I can ever go
Home
It's the only place I can feel my soul

You're all I need
You're everything
The piece of me
That's leaving me
Take us back
So we can see
The perfect scenes
Take me back
Take me back
Take me back

You think I'm crazy
But if I stay awhile, would you replace me?
Place don't erase me
Don't hang me up on the wall like some kind of painting

Home
It's the only place I can ever go
Home
It's the only place I can feel my soul

You're all I need
You're everything
The piece of me
That's leaving me
Take us back
So we can see
The perfect scenes
Take me back
Take me back
Take me back

You've been gone for so long
You've been gone for so long
You've been gone for so long
You've been gone for so long

You're all I need
You're everything
The piece of me
That's leaving me
Take us back
So we can see
The perfect scenes
Take me back
