

# Let Down

Palisades

I've been so good to you  
Whatever you need  
Not there for me  
Expecting you to be  
A remedy  
Doin' what you please  
Still makin' me sick  
At the thought of you and me  
I stay with you  
Then leave you for a week  
Don't answer calls  
Or you're hung up on me  
I'm by the phone  
And I wish I could breathe  
I'm so good for you  
But you're so bad for me, yeah

And it's hard to believe  
That it's me that you're missing  
Now you're trying to speak  
And I don't wanna listen

Cause you're a let down  
Let down  
Cause you're a let down  
Let down

Gimme one reason to make it right, yeah  
Anything at all for another try, oh oh  
Cause you're a let down  
A let down

Almost feel bad for you  
You got my sympathy  
I'm sober now  
And I can finally see  
With clarity  
Yeah I can agree  
You can take the heat  
I'm sorry that I'm weak  
I hate myself  
For putting up with all your pointless fights  
You were out to cheat  
I blocked the phone  
I bet we can agree  
I've been good for you  
But you're so bad for me

Cause you're a let down  
Let down  
Cause you're a let down  
Let down

Gimme one reason to make it right, yeah  
Anything at all for another try, oh oh  
Cause you're a let down  
A let down

Cause you're a let down  
A let down  
So we turn

And it's hard to believe  
That it's me that you're missing  
Now you're trying to speak  
And I don't wanna listen

Cause you're a let down  
Let down  
Cause you're a let down  
Let down

Gimme one reason to make it right, yeah  
Anything at all for another try, oh oh  
Cause you're a let down  
A let down
