

Push

Palisades

Miserable
My funeral

I try to fake it now
I always had my doubts
Push me to the edge
I've been too blind to see
What's right in front of me
So push me to the edge

Can you even tell
That I do this to myself?
I'm just cryin' out for
Anyone to understand me
Anyone to understand me
Yeah, or am I just too late
Stuck in my own ways
I'm just cryin' out for
Anyone to understand me

And I try to blame you now
'Cause I'm just shutting down
So push me to the edge

So miserable
My funeral

Can you even tell
That I do this to myself?
I'm just cryin' out for
Anyone to understand me
Anyone to understand me
Yeah, or am I just too late
Stuck in my own ways
I'm just cryin' out for
Anyone to understand me

Yeah!
Yeah!

So miserable (So miserable)
My funeral (My funeral)
So miserable (So miserable)
Oh God

Can you even tell
That I do this to myself?
I'm just cryin' out for
Anyone to understand me
Anyone to understand me
Yeah, or am I just too late
Stuck in my own ways
I'm just cryin' out for
Anyone to understand me

Oh God
