

Shock Treatment

Pallas

Hot coals, Hard nails, Walk to water, Grab the tiger's tail,
Don't stop, Don't think, Dance your way around disaster's brink

.

Dance through the fire...

Dance through the fire...

Hard times, Cold sweat, Walk the plank without a safety net,
Dead Duck, Bad news, Beat the crimes of which you stand accused

.

Dance through the fire...

Dance through the fire...

Hold on, Sit tight We never promised heaven overnight,
Take heart, keep faith, Can't be long now till the storm must b
reak.

Dance through the fire...

Dance through the fire...

Dance through the fire...
