

All the Garden Birds

Palma Violets

Don't shoot me down
Don't shoor me down
All the garden birds
All you need is love

Wohoo
Ohhh

Don't shoot me down
Don't shoor me down
All the garden birds
All you need is love

Wohoo
Ohhh

And I don't think I can hack (to get back)
Don't think I can hack (to get back)
Don't think I can hack (to get back)
Don't think I can hack..

Ohhh

All my friends were there
And all of the garden birds..
