

Chicken Dippers

Palma Violets

Take me down
Take me go
And I'm gone, away again

Your hair, your hair is on fire
Your hair is a stone red gage

And you make me feel like I'm the only one
Woo
You make me feel like I'm the only one
I'm the only..

I'm running, I'm running around
I'm running, I'm running around

Your hair, your hair is on fire
Your hair is a stone red gage

And you make me feel like I'm the only one
Woo
You make me feel like I'm the only ome
I'm the only..

You make me feel like I'm the only ome
I'm the only..
