

Rattlesnake Highway

Palma Violets

Rattlesnake highway, I wanna go
To the place that, I'm home
Strummer on my shoulder
Oh he knows
Knows how it feels to be alone

Sow the seeds
And we can watch it grow
Just like trees
We excel in the sun

Unlike you, I have nothing
Going on for me
Cos I love you
Sun sun, come along

Rattlesnake!

Hold up, hold up
What's that you say?
My love, why have you run away?
I guess you caught the morning news today
I'm a rattlesnake highway man

On the rattlesnake.. highway!
On the rattlesnake.. highway!
I'm a rattlesnake highway man
