Never Tear Us Apart

Paloma Faith

Don't ask me What you know is true Don't have to tell you I love your precious heart

I, I was standing
You were there
Two worlds collided
And they could never tear us apart

We could live for a thousand years But if I hurt you I'd make wine from your tears

I told you That we could fly 'Cause we all have wings But some of us don't know why

I was standing You were there Two worlds collided And they could never ever tear us apart

I, I was standing
(Don't ask me)
I was standing
(You know it's true)
You were there
(Worlds collided)
Two worlds collided
(We're shining through)
And they could never tear us apart

You, you were standing (Don't ask me) (You know it's true) I was there (Worlds collided) Two worlds collided (We're shining through) And they could never tear us apart I, I was standing
