

## Honey (Open That Door)

Pam Tillis

Honey, honey, honey won't you open that door?  
This is your sweet daddy, don't you love me no more?  
It's cold outside, let me sleep on the floor  
Honey won't you open that door?

I honky tonked around Dallas  
I got in a poker game  
Somebody musta been a cheatin'  
I lost everything but my name

Well, I walked halfway to Memphis  
I finally got back home  
But I'd been better off where I was  
'Cause here's where things went wrong

Honey, honey, honey won't you open that door?  
This is your sweet daddy, don't you love me no more?  
It's cold outside, let me sleep on the floor  
Honey, won't you open that door?

I went right down to see old Bob  
I thought he was my friend  
The landlord said that Bob's not here  
The police done hauled him in

I ran right back to little honey's house  
I got me a rockin' chair  
Now, honey if you don't open that door  
I'm gonna rock on away from here

Honey, honey, honey won't you open that door?  
This is your sweet daddy, don't you love me no more?  
It's cold outside, let me sleep on the floor  
Honey won't you open that door?

Honey, honey, honey won't you open that door?  
This is your sweet daddy, don't you love me no more?  
It's cold outside, let me sleep on the floor  
Honey won't you open that door?

Honey, honey  
Honey, honey  
Now, honey won't you open that door?
