

I Wish She Wouldn't Treat You That Way

Pam Tillis

The way she treats you
Is a dog gone crime
I just get blue about it all the time
Drives me crazy
how she walks that line
I wish she wouldn't treat you that way baby
I wish she wouldn't treat you that way
I ain't sayin' that she's bad to you
She does every little thing a lover should do
Any fool could see that her love is true
I wish she wouldn't treat you that way baby
I wish she wouldn't treat you that way
She ain't the only one
Who loves you dear
She ain't the only one
Who needs you near
How am I ever goin' to have my day
I wish she wouldn't treat you that way
I wish she wouldn't treat you that way
See you walkin' with her
Hand in hand
By the look on your face
You're a happy man
She's ruinin' all of my best laid plans
I wish she wouldn't treat you that way baby
I wish she wouldn't treat you that way
I wish she wouldn't treat you that way baby
I wish she wouldn't treat you that way
She ain't the only one
Who loves you dear
She ain't the only one
Who needs you near
How am I ever goin' to have my day
I wish she wouldn't treat you that way
I wish she wouldn't treat you that way
wish she wouldn't treat you that way baby
I wish she wouldn't treat you that way
