

Come to Your Senses

Panda Bear

Are you mad?
Are you mad?
Are you mad?
Are you mad?
Are you mad?
Are you mad?
Are you mad?

Yeah I'm mad
With a treat
You made a bunch you bet
And you'll make more
Go on make some more
But you won't
Nope you won't
Ever make that one again
You don't make that one again
Don't make that again
This is the last time
It's inside the one and all
You don't make that one again
This the last time
It's inside the one and all

Are you mad?
Are you mad?
Are you mad?
Are you mad?
Are you mad?
Are you mad?
Are you mad?

Yeah I'm mad
With a treat
You made a bunch you bet
And you'll make more
Go on make some more
But you won't
Nope you won't
Ever make that one again
You don't make that one again
Don't make that again
This is the last time
It's inside the one and all
You don't make that one again
This the last time
It's inside the one and all
