Are you mad? Yeah I'm mad With a treat You made a bunch you bet And you'll make more Go on make some more But you won't Nope you won't Ever make that one again You don't make that one again Don't make that again This is the last time It's inside the one and all You don't make that one again This the last time It's inside the one and all Are you mad? Yeah I'm mad With a treat You made a bunch you bet And you'll make more Go on make some more But you won't Nope you won't Ever make that one again You don't make that one again Don't make that again This is the last time It's inside the one and all You don't make that one again This the last time

It's inside the one and all
