

Faces In the Crowd

Panda Bear

To my guy 'til I die

If it's real good or it's lame
It's you
Still, you looking back
Look into the mirror
Look into the mirror, it's a game, oh
You like it or you don't
Look into the mirror
Look into the mirror, it's a game, oh
You like it or you don't
If it's real good or it's lame
It's you
Still, you looking back

Go ask why, no reply
