

Last Night at the Jetty

Panda Bear

Dreams that we once had
Did we have them anyways?
Seems that we once had
Now we'll have them all the time

Didn't we, didn't we
Didn't we have a good time
I know we, I know we
I know we had a real time

Now who can say we're not just as we were
No one could do that now

I know, I know, I know...

I don't want to spot something I am not
I don't want to hide the bumps that I have
I want to enjoy what's meant to enjoy
But I try to but it flies and swirves to the floor

Say what you will
???
I know I could not go
???

You have your ways
I have my ways
We have our ways

And I'll call you my friend

Dreams that I once had
Did I have them anyways?
Seems that I once had
Now I'll have them all the time

Didn't I, didn't I
Didn't I have a good time
I know I, I know I
I know I had a real time

Now who can say I'm not just as I was
No one could do that now
