Dreams that we once had
Did we have them anyways?
Seems that we once had
Now we'll have them all the time

Didn't we, didn't we Didn't we have a good time I know we, I know we I know we had a real time

Now who can say we're not just as we were No one could do that now

I know, I know, I know...

I don't want to spot something I am not
I don't want to hide the bumps that I have
I want to enjoy what's meant to enjoy
But I try to but it flies and swirves to the floor

Say what you will ???
I know I could not go ???

You have your ways I have my ways We have our ways

And I'll call you my friend

Dreams that I once had Did I have them anyways? Seems that I once had Now I'll have them all the time

Didn't I, didn't I
Didn't I have a good time
I know I, I know I
I know I had a real time

Now who can say I'm not just as I was No one could do that now
