

## I Feel Free

Pandora

I feel free  
I feel free  
When you were in my life  
You tried to stop me living  
Nothing I did was right  
Always putting me down  
Now I wonder where you are  
Is the memory of me still in your heart?  
'Cos I gotta let you go  
You know I gotta move along  
I feel free(I feel free)  
I feel free,yeah  
I feel free(I feel free)  
I feel free,yeah  
Sorry,but I can't be  
Your super woman  
I want you to want me  
The way that I am  
Tell me who you think you are  
Don't fool yourself,you ain't no star  
You better treat somebody right  
You won't get me a second time  
I feel free(I feel free)  
I feel free,yeah  
I feel free(I feel free)  
I feel free,yeah  
I feel free I feel free  
I've got to tell you I feel free and it feels so good  
I feel free,I feel free,I feel,I feel,I feel  
I feel free  
It's so good to be alive  
And I gotta tell you why  
So much better than before  
I don't need you  
I feel free  
I feel free
