Mr.Right, Yeah baby that's me!
Baby,
You're like a shining sun
Knowing all the fun has just begun
You set my heart on fire
Maybe,
I am a crazy one
But you really know of havin' fun
Just like what I require
Ooh ooh ooh ooh oh
You gotta keep on movin'
Ooh ooh ooh ooh oh
Keep on movin' on
Mr.Right
Tell me I'm dreamin'
You're too good to be true
Mr.Right
The way that I'm feelin'
When I'm lookin' at you
Mr.Right
Tell me I'm crazy
When I'm holdin' your hand
Mr.Right
But when I'm facin' you
I do understand
Baby,
I really like your way
And it's all enough for me to stay
You're such a hot temptation
Maybe,
I'm about to stray
But I don't care in anyway
Ain't no trace of hesitation
Ooh ooh ooh ooh oh
You gotta keep on movin'
Ooh ooh ooh ooh oh
Keep on movin' on
Mr.Right
Tell me I'm dreamin'
You're too good to be true
Mr.Right
The way that I'm feelin'
When I'm lookin' at you
Mr.Right
Tell me I'm crazy
When I'm holdin' your hand
Mr.Right
But when I'm facin' you
I do understand
Oh ooh-oh
You really make me get that feelin'
Oh ooh-oh
Baby I must be dreamin'
We're all just havin' fun!
