

Girls/Girls/Boys

Panic! at the Disco

I don't wanna hear you've got a boyfriend
Sometimes you're better of alone
But if you change your mind, you know where I am
Yeah if you change your mind, you know where to find me
'Cause I don't ever wanna be your boyfriend

And never did I think that I
Would be caught in the way you got me
Push another girl aside and just give in

Girls love girls and boys
Girls love girls and boys
And never did I think that I
Would be caught in the way you got me
But girls love girls and boys
And love is not a choice

Pose, you've gotta save your reputation
They're close to finding out about your girlfriend
But if you change your mind, you know where I am
Yeah if you change your mind, you know where to find me
'Cause I don't wanna save your reputation

And never did I think that I
Would be caught in the way you got me
Push another girl aside and just give in

Girls love girls and boys
Girls love girls and boys
And never did I think that I
Would be caught in the way you got me
But girls love girls and boys
And love is not a choice

I am just a villain vying for attention from a girl
A girl who can't decide and here's the reason why

Girls love girls and boys
Girls love girls and boys
And never did I think that I
Would be caught in the way you got me
But girls love girls and boys
And love is not a choice
