

## New Perspective

Panic! at the Disco

I feel the salty waves come in  
I feel them crash against my skin  
And I smile as I respire because I know they'll never win  
There's a haze above my TV  
That changes everything I see  
And maybe if I continue watching  
I'll lose the traits that worry me

Can we fast-forward 'til you do down on me?

Stop there and let me correct it  
I wanna live a life from a new perspective  
You come along because I love your face  
And I'll admire your expensive taste  
And who cares divine intervention  
I wanna be praised from a new perspective  
But leaving now would be a good idea  
So catch me up on getting out of here

Can we fast-forward 'til you go down on me?

Taking everything for granted but we still respect the time  
We move along with some new passion knowing everything is fine  
And I would wait and watch the hours fall in a hundred separate lines  
But I regain repose and wonder how I ended up inside

Can we fast-forward 'til you go down on me?

Stop there and let me correct it  
I wanna live a life from a new perspective  
You come along because I love your face  
And I'll admire your expensive taste  
And who cares divine intervention  
I wanna be praised from a new perspective  
But leaving now would be a good idea  
So catch me up on getting out of here  
Catch me up on getting out of here

More to the point, I need to show  
How much I can come and go  
Other plans fell through  
And put a heavy load on you  
I know there's no more that need be said  
When I'm inching through your bed  
Take a look around instead and watch me go

Stop there and let me correct it  
I wanna live a life from a new perspective  
You come along because I love your face  
And I'll admire your expensive taste  
And who cares divine intervention  
I wanna be praised from a new perspective  
But leaving now would be a good idea  
So catch me up on getting out of here

It's not fair, just let me perfect it  
Don't wanna live a life that was comprehensive

'cause seeing clear would be a bad idea  
Now catch me up on getting out of here  
So catch me up I'm getting out of here

Can we fast-forward 'til you go down on me?  
Can we fast-forward 'til you go down?
