

# She Had the World

Panic! at the Disco

She held the world upon a string  
But she didn't ever hold me  
Spun the stars on her fingernails  
But it never made her happy  
Cause she couldn't ever have me

She said she won the world at a carnival  
But she could never win me  
Cause she couldn't ever catch me  
I, I know why Because when I look in her eyes  
I just see the sky  
When I look in her eyes  
Well I, just see the sky

I don't love you I'm just passing the time  
You could love me if I knew how to lie  
But who could love me?  
I am out of my mind  
Throwin' a line out to sea  
To see if I can catch a dream

The sun was always in her eyes  
She didn't even see me  
But that girl had so much love  
she'd wanna kiss you all the time  
Yeah, she'd wanna kiss you all the time

She said she won the world at a carnival  
But I'm sure it didn't ruin her  
Just made her more interesting  
I'm sure it didn't ruin her  
Just made her more interesting

I, I know why  
Because when I look in her eyes  
I just see the sky  
When I look in her eyes  
Well I, I just see the sky

I don't love you I'm just passing the time  
You could love me if I knew how to lie  
But who could love me?  
I am out of my mind  
Throw an old line out to sea  
To see if I can catch a dream
