## Denny

**Pansy Division** 

Denny picked me up, Denny did me He's got a tattoo of his dick on his belly It was double vision disorienting Denny's kind of a dorky fella Denny's dramatic, Denny's dark He ain't nothing like the restaurant He's got HIV+ tattooed in black In 6 inch letters on his back He said, "I want them to see What they 've done to me" Denny Denny's reading The Decameron About a plague that came before 'Cause Denny's dying and Denny don't like it And Denny don't dance no more He's kinda New Age, but Denny's not too smart Trying to love himself, But doesn't really know how He's got a heart tattoo with his own name in it Trouble is, Denny doesn't really get it Self-esteem is just a dream for Denny Denny could be very funny Says he wanted my asshole tattooed on his chin But Denny's very demanding ' Cause Denny ain 't got long to live Denny did porno photos and films Until his tattoos ruined his career He stares at the video, feeling dejected Helplessly watching himself get infected Denny's got pneummocystis And a new tattoo as well Denny got a skull and crossbones Smack in the middle of his forehead Says, "I want them to see What they 've done to me" Denny
