

We got married in a fever  
Hotter than a pepper sprout  
We been talkin' Jackson  
Ever since the fire went out  
I'm goin' to Jackson  
I'm gonna mess around  
I'm goin' to Jackson  
Lookout Jackson town

Well go on down to Jackson  
Go ahead and wreck your health  
Go play your hand you big talkin' man  
Make a big fool of yourself  
Yeah yeah go to Jackson  
Go comb that hair  
I'm gonna snowball Jackson  
Go ahead and see if I care

When I get into that city  
People gonna stoop and bow  
All them young men gonna make me  
Teach them what they don't know how  
I'm goin' to Jackson  
You turn a loose of my coat  
Cause I'm goin' to Jackson  
Goodbye that's all she wrote

We'll I've had you in Jackson  
And I'll be dancin' on a pony keg  
They'll lead you around that town  
Like a scolded hound  
With your tail tucked between your legs  
Yeah yeah go to Jackson  
You big talkin' man  
And I'll be waiting there in Jackson  
Behind my gay ban plan

We got married in a fever  
Hotter than a pepper sprout  
We been talkin' Jackson  
Ever since the fire went out  
Goin' to Jackson  
And that's a natural fact  
We're goin' to Jackson  
Ain't never comin' back  
Ain't never comin' back  
Ain't never comin' back  
Ain't never comin' back
