

Trash

Pansy Division

Are you customized or ready-made?

Heavy metal, trick or treat

Uh-huh

He's only seventeen

On the level, trashes me

Uh-huh, uh

Teenage fever, oh you got it bad

Caught the flavor, want it all

Uh-huh

He's only seventeen

Bet you love the trash I meet

Oh yeah, oh yeah

Oh yeah, oh yeah

His tangled hair trails halfway down his back

On his head, a backwards baseball cap

He's only seventeen

I'll pick up the trash I see

Uh-huh, uh

Uh-huh, uh

Uh-huh, uh

Oh!
