## Trash

## **Pansy Division**

```
Are you customized or ready-made?
Heavy metal, trick or treat
Uh-huh
He's only seventeen
 On the level, trashes me
Uh-huh, uh
 Teenage fever, oh you got it bad
 Caught the flavor, want it all
 Uh-huh
 He's only seventeen
Bet you love the trash I meet
 Oh yeah, oh yeah
 Oh yeah, oh yeah
 His tangled hair trails halfway down his back
 On his head, a backwards baseball cap
 He's only seventeen
 I'll pick up the trash I see
 Uh-huh, uh
 Uh-huh, uh
 Uh-huh, uh
 Oh!
```
