

# I Can't Hide

Pantera

I've written about my inner wars,  
But i could give a shit about right now,  
Most of me is all strength  
And all of me is at war with dope  
But my eyes are clear in sight  
My guts are blazing,  
I might have a life

I can't hide, to erase, what I've done-  
Last year, and three years before  
It still takes assholes of all kinds  
On that fact I am still clear,  
(cause) I should know and now I do  
I'm one of them  
I'm just like you  
I'm just like you  
A man that stands his ground with strength

Last year, and years before  
Can't hide myself  
I won't try  
It makes me strong  
It makes me strong  
It makes me strong

It blows away weakness  
It blows away detachment  
It blows away the depression inside  
It blows away the mental withdrawal  
It blows that shit away
