(Reprise) Sandblasted Skin

Pantera

Scrape it, grind it, peel it, hide it The trend is over and gone forever Shelf it, box it, save it, frame it You won't need that anymore, it's on sale at the fucken dollar store

Waste of time, pantomime, circus doll, at the local mall Exterminate, it's all fake! Exterminate, it's all fake

Sandblast yourself Sandblast yourself Sandblast Sandblast It's getting old, old, old
