

Suicide Note Pt. II

Pantera

Out of my mind,
gun up to the mouth
No pretension, execution, live and learn , rape and turn
Fret not family,
nor pre-judged army
This is for me,
and me only, cowards only
Try it

Don't you try to die, like me
It's livid and it's lies and makes graves
Graves descending down

It's not worth the time to try, to replenish a rotting life
I'll end the problem, facing nothing, fuck you off, fuck you al
l
Tortured history, addict of misery, this exposes me
for weakness is a magnet - watch me do it

Don't you try to die, like me
It's livid and it's lies and makes graves
Graves descending down

Why would you help anyone who doesn't want it,
doesn't need it, doesn't want your shit advice
when a mind's made up to go ahead and die?
What's done is done and gone, so why cry?

Don't you try to die, like me
It's livid and it's lies and makes graves
Graves descending down
