

Tell Me If You Want It

Pantera

I know you need it baby
You know you're what I've been lookin' for
Sometimes it don't seem right
You're all alone
You need someone to hold you tight
Call me I can make it right
Ohhhhh
Tell me if you want it
Ohhhhh
Tell me if you want it
Late at night
In my dreams
We're makin' love
Laid back in my limousine
Ohhh
Your touch, it feels so right
I'm all alone
I need someone to hold me tight
Call me, I can make it right
Ohhhhh
Tell me if you want it
Ohhhhh
Tell me if you want it

If you want it girl
You need it so bad
I'll give it to you like you've never had
Ohhhhh
Tell me if you want it
Ohhhhh
Tell me if you want it
Ohhhhh
Tell me if you want it
