

## At the grave

Panzerchrist

Grieving  
I stand before the gravestone  
I say my last goodbye  
Self righteous indignation lies  
Behind the mask of apathy  
Seduction  
To an  
Artificial thrill  
Dionysus'  
Takes her hold  
As I embrace  
I  
Choose  
To  
Make  
A Stand  
But to be a martyr - first you have to die
