

## Bye, Music

Paolo Conte

Bye, music,  
goodnight, my music, bye and bye  
you are my one and only, bye  
a sentimental baby  
on you is walkin'ever  
Bye, music,  
goodnight, my special lullaby,  
sweet danger  
and now I walk alone  
with all my silence  
now I walk alone  
with all my love for sale  
I walk alone  
goodnight, my music, bye and bye
