

All the people wanna try you girl,  
And I hope you tell them where to go,  
Cus I've got so much here to offer girl,  
Oh I love you more than you can know

Some people wanna speed it up,  
Infact I want to slow it down.  
I wanna get myself dressed up yeah,  
And take you out on the town

I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.  
I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.

Everybody's got opinions girl,  
Their own versions of a good idea.  
But the best one I can think of now,  
Is to make sure that I keep you near.

And I know that I've got to keep it up,  
Cus I can see you're feeling down  
And I wanna get myself dressed up yeah,  
And take you out on the town

I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.  
I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.

And get an "A" in the taxi,  
"A" In the restaurant.  
Get ten out of ten.  
Get an "A" in the kitchen  
And an "A" in the bedroom  
I get ten out of ten

You make it out of nothing,  
And turn it into something,  
And give it to you all for free  
I'll be a model pupil tonight, babe.  
I wanna get ten out of ten.
