

# Caledonia

Paolo Nutini

I don't know if you can see  
The changes that have come over me  
And these past few days I've been afraid  
That I might drift away  
I've been telling old stories, singing songs  
That make me think about where I come from  
And that's the reason why I seem  
So far away today

Let me tell you that I love you  
That I think about you all the time  
Caledonia you; re calling me  
Now I'm going home  
And if I shall become a stranger  
No it would make me more than sad  
Caledonia's been everything I've ever had

Well I have moved  
And I've kept on moving  
Proved the points  
That I needed proving  
I've lost the friends  
That I needed losing  
Found others on the way  
I have kissed the fellas  
And left them sighing  
Stolen dreams yes there's no denying  
I have travelled hard  
Sometimes with conscience flying  
Somewhere with the wind

Let me tell you that I love you  
That I think about you all the time  
Caledonia you; re calling me  
Now I'm going home  
And if I shall become a stranger  
No it would make me more than sad  
Caledonia's been everything I've ever had

Now I'm sitting here  
Before the fire  
The empty room  
A forest choir  
The flames have cooled  
Don't get any higher  
They've withered now  
They're gone  
And I'm steady thinking  
My way is clear  
And I know what  
I will do tomorrow  
The hands have shaken  
The kisses flowed  
And I will disappear

Let me tell you that I love you  
That I think about you all the time

Caledonia you; re calling me  
Now I'm going home  
And if I shall become a stranger  
No it would make me more than sad  
Caledonia's been everything I've ever had
