

# Let Me Down Easy

Paolo Nutini

Let me down easy  
For your love for me is gone  
Let me down easy  
Since you feel to stay is wrong

We are broken by others  
But we mend ourselves  
We take comfort in strangers  
But I don't think it helps  
If every fool wore a crown  
I would be a king and not a clown  
Cause love can be (oh)  
Closer than our hands and our feet

But it's lost on me  
Oh oh  
It's lost on me  
Let me down easy  
For your love for me is gone  
Let me down easy  
Since you feel to stay is wrong

There was no sweeter fruit than this  
With no taste of bitterness  
It was so fresh and sweet before  
But I can't taste it anymore  
No, no

I was like a man with no care  
I had everything  
But it's lost,  
Lost, lost on me, yeah

Let me down easy  
For your love for me is gone  
Let me down easy  
For your love for me is gone  
Let me down easy  
Since you feel to stay is wrong

On a better day  
We'd be waiting on our corner  
Selling dreams of redemption  
But this time you've gone your way  
So I'll go mine  
Out of sight, out of love, out of time

Let me down easy  
For your love for me is gone  
Let me down easy  
For your love for me is gone  
Let me down easy  
Since you feel to stay is wrong

Let me down, let me down easy  
Let me down easy  
Let me down easy

Let me down easy
