

Fear Hate Love

Papa Roach

So take me way back - back in the day
My father was a fuck up - absolutely insane
He walked out the door - straight out of my life
He stole my innocence - like a thief in the night
I had a handful of cards - stacked against me
Mama's blacked out - I couldn't tell if she loved me
I gave up cause I didn't have a family
I fell hard with nobody there to catch me
Somebody catch me

Fear - I'm hopeless
Hate - I'm helpless
Love - I'm powerless
I gotta get out of this
Fear - No choice in
Hate - This crisis
Love - It's heartless
I'm so sick of this
Why did you abandon me?
How could you just walk away?
Fear - I'm hopeless
Hate - I'm helpless
Love - I'm powerless
I gotta get out of this

Now I'm out here - walking the streets
I'm a fatherless child - I'm a social disease
There's no love living in a broken home
I never ever thought I'd have to live it alone
Then I talked to God - said I was empty
How could anybody ever possibly love me?
I know that it hurts at the minute
It'll drag you to hell if you let it
Drag you to hell if you let it

Fear - I'm hopeless
Hate - I'm helpless
Love - I'm powerless
I gotta get out of this
Fear - No choice in
Hate - This crisis
Love - It's heartless
I'm so sick of this
Why did you abandon me ?
How could you just walk away ?
Fear - I'm hopeless
Hate - I'm helpless
Love - I'm powerless
I gotta get out of this

I've lost my innocence
You've tried to take my hope
You've tried to take me down
I found myself again
No you can't take my heart
No you can't take me down
Cause karma comes around

Fear - I'm hopeless
Hate - I'm helpless
Love - I'm powerless
I gotta get out of this
Fear - No choice in
Hate - This crisis
Love - It's heartless
I'm so sick of this
Why did you abandon me ?
How could you just walk away ?
Fear - I'm hopeless
Hate - I'm helpless
Love - I'm powerless
I gotta get out of this

Fear
