

Getting Away with Murder

Papa Roach

Somewhere beyond happiness and sadness
I need to calculate
What creates my own madness
And I'm addicted to your punishment
And you're the master
And I am waiting for disaster

I feel irrational, so confrontational
To tell the truth again
I'm getting away with murder
And is it impossible to never tell the truth?
But the reality is I'm getting away with murder
(Getting away, getting away, getting away)

I drink my drink and I don't even want to
I think my thoughts when I don't even need to
I never look back 'cause I don't even want to
And I don't need to
Because I'm getting away with murder

I feel irrational, so confrontational
To tell the truth
I am getting away with murder
And is it impossible to never tell the truth?
But the reality is I'm getting away with murder
(Getting away, getting away, getting away)
(Getting away, getting away, getting away)
(Getting away, getting away, getting away with murder)

Somewhere beyond happiness and sadness
I need to calculate
What creates my own madness
And I'm addicted to your punishment
And you're the master
And I am craving this disaster

I feel irrational, so confrontational
To tell the truth
I am getting away with murder
And is it impossible to never tell the truth?
But the reality is I'm getting away with murder
(Getting away, getting away, getting away)

I feel irrational, so confrontational
To tell the truth
I am getting away with murder
And is it impossible to never tell the truth?
But the reality is I'm getting away with murder
