

I Devise My Own Demise

Papa Roach

I Devise My Own Demise
I Devise My Own Demise
I Devise My Own Demise
I Devise My Own Demise

I can't control everything
And I can't forget just what I've seen
And these memories take me away
To a better place than I am today
Than I am today

R: I devise my own demise
Here's to life-the life I'm losing
I devise my own demise
Here's to life-the life I'm losing

It is time to say hello goodbye (hello goodbye)
To fade away, fade away alone (motherfucker, goodbye!)
I just want you to take, take me back home
To a better place that I've never known
That I've never known

R: I devise my own demise...

yeeeeeah, yeaaaaah, wooooow

I can't control everything (death is the only way out!)
And I can't forget just what I've seen (death is the only way out!)
These memories take me away
To a better place that I am today
Than I am today

R: I devise my own demise...

...this life I'm losing (this life I'm losing)
...this life I'm losing (this life I'm losing)

I devise my
own demise (own demise)
