Love Me Till It Hurts

Papa Roach

Love me till it hurts Love me till it hurts You are the poison You are the pain The one chemical inside my veins It's true I've been infected by you I'm not a killer, no I'm not a saint And there's nobody left that I can blame It's true I am the poison in you Will you love me till it hurts? Never leave me at my worst Break this cycle, break this curse Love me till it hurts We are gather, we deserve Tell me do I have your word? Break this cycle, break this curse Love me till it hurts Love me till it hurts We fell in love, but then we went to war Now I'm your enemy, I'm not your doll It's true I'm on the fighting for you We thought that we can make through the storm Hell broke loose then you fell from my arms It's truth I couldn't hold on to you Will you love me till it hurts? Never leave me at my worst Break this cycle, break this curse Love me till it hurts We are gather, we deserve Tell me do I have your word? Break this cycle, break this curse Love me till it hurts Will you love me till it hurts? Never leave me at my worst Break this cycle, break this curse Love me till it hurts We are gather, we deserve Tell me do I have your word? Break this cycle, break this curse Love me till it hurts
