

M-80 (explosive Energy Movement)

Papa Roach

Yeah!

This music is my time to reel out and rewind
I'll be brutal with truth, I'd rather be honest with my soul
Be the pile of trash a bum picks through to get a bite to eat
I'm filthy, I'm horny, I'm dirty nasty dirty!

I'm strong and fearless
Only 'cause I got rock 'n' roll
I'm knee-deep in our blood
Only 'cause I got rock 'n' roll

C'mon!
Baby c'mon!
Yeah, baby c'mon!
Baby c'mon!
Break it, break it, break it, break it

I'm strong and fearless
Only 'cause I got rock 'n' roll
I'm knee-deep in our blood
Only 'cause I got rock 'n' roll

I'm crazier than I ever was
I'm bloodied up I beat my skull in
I'm comin' home in a body bag
And I'm ready to die for rock 'n' roll
I can't change the world
I can only change myself yeah
I'm as sharp as a knife, as high as a kite
Demented as the night is long

I'm strong and fearless
Only 'cause I got rock 'n' roll
I'm knee-deep in our blood
Only 'cause I got rock 'n' roll

I'm not sheddin' a tear
I'm blowin' some steam
I'm stuck in between, living a dream
I'm not sheddin' a tear
I'm blowin' some steam
I'm stuck in between, living a dream

C'mon!
Baby c'mon!
Yeah, baby c'mon!
Baby c'mon!
