

# Revenge

Papa Roach

Remember the girl  
Abused with forks, knives, and razor blades?  
Remember the girl  
Abused with forks, knives, and razor blades?

She finally left him  
Had enough of her man's rage  
Band-aids covered her scars she left him bloodied  
Beat his ass with a bat  
Face sunk in like silly putty  
Ya alll can say that so I could study  
Destruction of the family design  
And how the morals of society decline  
Essentially it's beats to rhyme like grapes to wine

It's alright, we're in love  
Can't live with or without

You see she can't live with him  
And can't live without him  
Stress got her  
Now she needs to deal with the problem  
As the drama gets deeper  
I puff on the reefer  
Took the last step and sent his ass to the reaper  
Chaos  
Is what she saw in the mirror  
Scared of herself and the power that was in her  
It took over  
And weighed heavy on her shoulder  
Militant insanity is now what controlled her

It's alright, we're in love  
Can't live with or without

It's alright, we're in love  
Can't live with or without

We're in love  
We're in love

Kill it before it reaches you  
Missiles won't work it's approaching the mainland  
What if it reaches the metropolitan areas?  
Cosmopolitan areas  
Secure the lines and prepare for departure  
Calm, calm, calm,  
It is a, a big business  
And seems to be  
Advancing underground  
Cuz my style is yo, is underground  
I'm green  
With my red eyes mad tint  
Flea fly flo  
Rapido, rapido  
She feeds plentiful  
ELECTRIFYING THE NATION!

ELECTRIFYING THE NATION!

Don't you see that we're in danger?  
How will we stop it?  
She is attacking  
Don't you see that we are in danger?  
How will we stop it?  
She is attacking

Sucka!  
Danger danger!

Running out, we're running out  
(Running out of time)  
Running out, we're running out  
(Running out of time)  
Running out, we're running out  
(Running out of time)  
Running out, we're running out

It's alright, we're in love  
Can't live with or without
