

# Rabbit Holes

Paper Route

Can I welcome  
You this evening  
To the front row  
For the main event  
Where a woman  
Plays a villain  
A magician  
And a monument

It's true (you, you)  
I'll always follow you (you, you)  
I'll always follow  
Rabbit holes  
Rabbit holes  
Where you wound up at no one knows  
No one knows  
No one knows  
How they wound up in rabbit holes

We have all heard  
Of this great act  
And it's legend  
The protagonist  
She'll be nameless  
In a red dress  
Just to vanish  
In the ending's twist

It's true (you, you)  
I'll always follow you (you, you)  
I'll always follow

Rabbit holes  
Rabbit holes  
No one knows  
No one knows  
No one knows  
How they wound up in rabbit holes

I will catch you

I'm running into a speeding train  
You're every bone that I need to break  
And every color that I'll ever paint  
You're in everything, everything

I'm jumping out of your crashing plane  
I wanna fall straight through your name  
In every turn of my twisting beings  
You're in everything, everything

Wake me in the morning so I know  
That you made it back from your rabbit hole

I will catch you

It's true

Oh where'd you go  
No one knows  
No one knows  
How they wound up in rabbit holes

I don't know how to say this  
But I feel everything at once  
Do you think that God sings  
When I close my eyes I can feel myself falling  
And falling  
Falling to the center of the earth  
And I don't want to take you with me
