

# Waiting for the Final Leaf to Fall

Paper Route

Don't wanna be here  
I feel alone with everyone  
This is the first year  
And still I play the second son

Falling in a line, I waited  
In a line, I waited

The season's in a crawl  
I'm waiting for the final leaf to fall  
The season's in a crawl  
I'm waiting for the final leaf to fall

Go get your bags packed  
I'll probably see you on the run  
I'm right behind you  
Fast as a bullet leaves a gun

Falling in a line, I waited  
In a line, I waited

The season's in a crawl  
I'm waiting for the final leaf to fall  
The season's in a crawl  
I'm waiting for the final leaf to fall
