

Yeah

This dedicated to all homies locked down  
Don't give up hope. Keep your mind focused  
Trigger Happy Pappy, Strong  
Come On

Take these bars and put 'em in your conversary  
The laws is deadly, gotta get your mind ready  
Pay attention you could be home by January  
I like to welcome you to my law library

Hustlers who hustlin', gun busters who squeezin'  
Gangstas who eatin, theives who sneak theivin'  
If you still breathin' I like to welcome you  
To section 190.05 "Grand Jury Proceedings"  
You broke the law allegedly, and you caught a case  
You sittin in the cell with your hands on your face  
The District Attorney they gotta get an indictment  
So they take the case to the grand jury, you not invited  
Now you could let the D.A. go and choose you fate  
Or you could go to the grand jury and plead your case  
No less than 16 people, no more than 23  
A panel by Superior Court, understand me  
Gotta look 'em in they eyes as simple as can be  
Make 'em believe you innocent, you could be free  
But you there's always a flip side to every coin  
The judge, the legal aide, D.A. they all joined  
And if you get indicted keep your memory foul  
Cause you gotta tell the same story when you go to trial  
Adolescents, adults, and juveniles  
I hope jotting this down  
If you locked up for more than 120 hours man just wait  
Cause without the disposition of a felony complaint  
Or commissment of a hearing they gotta open they gate  
And give you a R&R, that's your 180.80 date  
This is just a briefing of the knowledge I process  
In the belly of the beast they put you to the test  
My law library, what chapter is next?  
Section 120.10 "Warrant of Arrest," Law Library
