(Whoa-oh-oah, Whoa-oh-oah) Well I tried to fake it, Baby I tried to break it, But that's some kind of spell you got over me. You're a heavenly vision, Gonna make it my mission, Do whatever it takes to get you with me. Everywhere I go, Yeah, no one else I know, Shines as bright as you in my telescope. I tried to let it fade, But I can't get away, I really hope you're listening, 'Cause I never thought I would say-ay-ay. I can't help myself From falling in love, From falling in love With you yeah-yea I can't help myself, From taking the drug, From taking the drug It's you, yeah-yea. It happens every time, Can't get you off my mind, And anybody else, Better wait in line. I can't help myself, From falling in love, From falling in love With you yeah-yea. Every time you come calling, Didn't think I'd be falling, Never thought It'd be you I would always need. Love was something to run from, I was always the last one, That everyone thought would be in this dream. Everywhere I go, Yeah, no one else I know, Shines as bright as you in my telescope. I tried to let it fade, But I can't get away, I really hope you're listening, 'Cause I never thought I would say-ay-ay. I can't help myself From falling in love, From falling in love With you yeah-yea I can't help myself, From taking the drug, From taking the drug It's you, yeah-yea.

It happens every time, Can't get you off my mind, And anybody else, Better wait in line.

I can't help myself from falling in love, From falling in love with you yeah-yea.

They told me "Son, you'll be addicted."
You stole a kiss,
And now I see it.
You're in my veins,
And I can feel it,
Taking over me-e-e.

I can't help myself From falling in love, From falling in love With you yeah-yea. I can't help myself, From taking the drug, From taking the drug It's you, yeah-yea. It happens every time, Can't get you off my mind, And anybody else, Better wait in line. I can't help myself, From falling in love, From falling in love With you yeah-yea.
